YANKS AGAIN BLANK GIANTS 3-0

HOYT GIVES THE GIANTS ONLY TWO HITS; YANKS BASE STEALING FEATURES

POLO GROUNDS, NEW YORK, October 6.—(By the Associated Press)—The youngster Waite Hoyt came over from his home in Brooklyn today and besmeared the Giants with goose eggs while the Yankees walked off the field with the second game of the world series by a score of 3 to 0.

The base running of the Yanks was again a feature, Bob Meusel stealing home in the eighth.

Babe Ruth, who has been passed in three of four hits at bat, showed he could do something besides hit home runs by stealing second and third bases in fifth inning. Neft pitched a good game, but his own error in the fourth inning and an error by Frisch in the eighth inning was the hole in the Giant defense through which the American League champions pushed over the winning runs.

The cold figures show the plight of the hapless Giants in the second game.

Before the game Governor Miller, of New York, was escorted across the field, led by the band. He took his seat near the Yankees' bench.

Captain Peckinpaugh, of the Yankees, was presented with a chest of silver before the game.

The crowd was much larger than yesterday and probably numbered something over 35,000 folks.

The band played the "Star Spangled Banner" and the Yankees took the field.

Some little time was lost clearing the playing field of the photographers and handsmen.

Then Governor Miller threw out the ball.

The Yanks were the home boys today and claimed the Polo Grounds as their own ball yard.

Ruth Wants 'Em To Pitch To Him

Babe Ruth is the happiest man on the Yankee ball club. He believes the Giant hurlers, following the example of Douglas, intend to pitch to him during the series.

"If they do, I'll pop one over the heads of the folks in that right field stand," observed the "Babe" as he shed a big yellow Polo coat for his uniform.

An Indian summer day followed a chilly night. There was a blazed like a blunderbuss in a clear sky and the fans in the bleachers were grateful for the light westerly breeze.

Crowd Sort of Listless

The crowd came late. The man who started up all night and had only himself for company would have found thousands of vacant seats ready to receive him at noon. The unreserved upper stands also filled slowly. There were prospects of a 30,000 attendance.

The band, though, came early and piped some tunes for the edification of the ground-keepers and bleacherites. The reserved seat sections did not fill until near game time.

HOUSE WILL REFUSE TO PASS SALES TAX, HARDING IS TOLD

BY DAVID LAWRENCE
(Copyright, 1921, by Times Pub. Co.)

WASHINGTON, Oct. 6.—Republican leader Mondell told Pres. Harding today a sales tax was not only illogical, but impossible of enactment in the House. The president didn't commit himself but said it was a matter for the two Houses of Congress to work out.

Mr. Mondell's visit followed several conferences which administration Senators had with Mr. Harding in which they urged him to throw his influence in the scales in favor of a so-called manufacturers' sales tax.

The controversy between the advocates and opponents of a sales tax has reached a climax inside the administration camp. The House is insistent that the bill which it has passed be used as a basis for tax legislation and Mr. Mondell indicated that there would be no objection in the House if the Senate made certain changes in the balance and transportation taxes.

In other words the formula of taxation prepared by the House will be adhered to by its leaders and the other method proposed by Senator Root will be vigorously opposed.

"We worked in the House," said Mr. Mondell, "on the theory that the people wanted the tax burden lifted and not shifted. With all due respect to the gentlemen who are advocating a sales tax, it is illogical and adds to the burdens of the taxpayers. Nor is it the simplest thing that is claimed. How, for instance, will a sales tax be computed on the wool grown in my state? Will it be placed at the source or will it be placed on yarn or on cloth? It will be passed on just as surely as any other tax."

The Republican House leaders declared that a new system of taxation would have its enmeshments in many other respects. The government machinery would, of course, have to be changed so as to collect the new taxes. Furthermore, there is no certainty in Mr. Mondell's opinion that the manufacturers' sales tax wouldn't bring with it more evils than it was designed to cure. He declared, too, that the House bill was by no means a perfect measure but that it did tend to relieve the people of the abnormal and unusual taxes. He saw no hope for the amendment proposing that the repeal of the excess profits taxes be made effective as of last January.

When it was suggested to him that many business interests may have gotten behind a sales tax because of their disappointment over the fact that excess profits taxes will not be immediately repealed, Mr. Mondell insisted that such a step was also illogical. He argued that he could hardly believe that members of Congress would support so burdensome a measure as a sales tax in order to insure relief to a few taxpayers from the excess profits tax. Mr. Mondell said he originally favored making the repeal retroactive but that he had been won over to the

THE average American is just as impatient now for business to go upward as he was last year for commodities to go downward. It is just that impatience that makes a nation like ours, and when coupled with a little conservatism and balance, it is certain soon to bring business back to a more normal basis.

More talk won't do it, however. There are certain fundamentals that will continue to affect business for some time, these in order being the taxes, tariff, and international trade.

We must have a tax bill that will be drawn scientifically enough to enable every business to have an opportunity to prosper. No one business

Many Killed In Train Crash

PARIS, October 6.—Reports received by the authorities of the loss of life in yesterday's collision between two suburban trains in the tunnel leading to the St. Lazare railroad station, showed that up to the present seventeen persons are dead. Of these fifteen were killed or burned to death in the cars which caught fire following the collision, and two died in hospitals. Newspapers indicate that about 100 were injured.

PARIS, October 6.—(By the Associated Press)—Twenty-three bodies of persons who lost their lives in the rear end collision of two suburban passenger trains in the half mile tunnel leading into the St. Lazare railway station, had been removed from the smoldering wreckage this afternoon. Only seven of them have yet been identified, among these being Count Gerard De Rohan-Chabot, a former cavalry officer, who was prominent in French social circles.

He is now a patient at Hempstead hospital where he is suffering with terrible pains in his head the result of a silver plate in his skull. Although McFadden claims he was struck by an automobile and knocked to the side of the road his body does not show any bruises or marks and his only pain is in his head.

Charles Buckley was on his way home from church in Sciotoville when he discovered the young man by the side of the road. He tried to arouse him, but when he could not get an answer he summoned Dr. J. W. Hutchens, who had removed him to Hempstead hospital. At the hospital Dr. S. S. Haldeman assisted Dr. Hutchens in examining the patient and it was found that he had suffered no serious injury. He remained in a semi-conscious condition and the physicians and hospital attendants were only able to get his name and age.

In his coat pocket was found a letter addressed to his mother, Mrs. Anna Pittman, of Westport, Md. The letter was on Y. M. C. A. paper and had been written at the East Portsmouth Y. M. C. A. early last evening. McFadden says he wrote the letter and thought that he mailed it. The letter will be mailed to the mother today by the hospital bookkeeper, who will also notify the mother of the young man's condition.

McFadden was truly a little better today, but was able to tell more about his being in Portsmouth. He was a patient in the Walter Reed hospital at Washington and was in a Baltimore, (Md.) hospital seven months. He has had two skull operations performed the first silver plate being removed when it was found to be pressing on his brain. A second plate was put in and bone grafted from one side of the head to the other.

McFadden has been in Charleston trying to get Government compensation, but so far has been unable to secure any money from the government. Yesterday he was in Ironton to see Red Cross workers and yesterday afternoon came to Portsmouth with a man on a traction car.

McFadden believes that his present trouble is the silver plate again touching his brain. He says the severe pains run from his brain down his spine. Last night it was thought that the young man might have been walking on the C. & O. trestle and had fallen off.

Williams Better

Julia Williams of 1018 Gay street, who recently underwent an operation in Hempstead hospital, is getting along nicely and will leave the hospital in a few days.

Ready For Plasterers

Plasterers will begin work Friday in the new addition Miss Emma Hammett and Mrs. Lucy Guthrie are making to their home, Fourth and Gay streets.

Reformatory Destroyed By Fire

YONIA, Mich., Oct. 6.—Famates of the Michigan state reformatory here, which was almost completely destroyed by fire yesterday, with a loss of nearly half a million dollars, were put to work today clearing away the debris for the possible erection of a new model prison. The state administrative board and members of the prison board are expected to decide to rebuild the institution immediately. Only the prison dining room, kitchen and a furniture factory building escaped the flames.

After a checking up on the prisoners officials announced that out of the 680 convicts only one had taken advantage of the fire to effect an escape. State troopers and a company of national guard are patrolling the prison walls and officials anticipate no trouble with the convicts.

An investigation indicates the fire was caused by defective wiring in the administrative building, rather than by a workman's blow torch, as at first believed. The prisoners are being housed temporarily in the furniture factory building.

Auto Victim Is Better

Thelma White, 11 year old daughter of Mr. and Mrs. Samuel White of 810 Grimes avenue, seriously injured Sunday afternoon when run down by an automobile on Gallia pike near Wheelersburg was reported a little better at Hempstead hospital today. The internal injuries suffered are not giving her as much pain, and hopes are held for her recovery.

Owls Meet This Evening

Royal Nest, No. 1310, Order of Owls, will hold a regular meeting tonight at 7:30 o'clock in Hara Hall, Gay and Gallia streets. This will be a meeting of importance and every member should be present. Plans for the winter season will be discussed. President James A. Kelley and Secretary William F. Miller would like to see every member present.

Dying Nicely
Mrs. Ferman Young of Third and Warren streets who underwent an operation at her home last week is getting along nicely.

Lewis Furniture Co. Buys The Star Stock

One of the most important deals completed in this city for some time, from a mercantile standpoint, was the purchase of the entire stock of the Star Furniture Company, Second and Court streets, by the Lewis Furniture Company, Third and Chillicothe streets. The purchase of the stock involved the sum of \$30,000.

The Star Furniture Company established itself in its present location several years ago and has enjoyed a splendid patronage. The concern always carried a fine line of merchandise and at this time of the season was particularly heavily stocked.

Manager Fete Warsaw of the Lewis

Furniture Co. announced the completion of the deal, Wednesday, every little detail having been worked out. He stated that it would be but a very short time until the stock secured from the Star Furniture Co. would be moved onto the floors of the Lewis Furniture Co. What cannot be accommodated there would be placed in the big ware house, Third and Gay streets.

Manager Warsaw is congratulating himself that his company secured the merchandise from the Star Furniture Co. at a price that will enable him to offer the entire stock at very tempting prices. His force of employees

will soon be busy moving the stock to the store of the Lewis Furniture Co., where the stock will be marked and placed on sale.

The Lewis Furniture Co. is one of Portsmouth's most progressive concerns, and the fact that it is branching out and absorbing one of its competitors shows that the company has great faith in the future of Portsmouth.

Manager Warsaw announces that the Star Furniture Co. would maintain an office at the Lewis Furniture Co. for the present, where all accounts due the Star Furniture Co. can be paid.

Eblin Accused Of Reckless Driving

Thomas Eblin, New Boston, will be required to appear before Judge Sprague in Municipal court late Thursday afternoon to meet a charge of reckless driving made in a complaint filed by Charles Higgins, who lives at the terminals.

The complaint is an echo of a collision between the automobiles of the parties which occurred the other day and which Higgins claims was caused by the careless driving of the defendant.

Increased Force At Work On Road

With a greatly increased force of teams and men on the job of work of finishing the improvement of the Portsmouth-Lucasville Western road in the vicinity of Tushtown was started under the supervision of John Andre, father-in-law of the late contractor, Arthur Simpson, who died Monday at his home in this city.

The force was more than doubled Thursday when it was announced that the work will be speeded up and the contract rush to completion with all haste possible.

The contract, which was awarded last November, calls for the construction of approximately four miles of water bound gravel highway, and the work should have been completed on September 15, but it became necessary to extend the limit to Oct. 15 because little progress was made in the work until a few weeks ago. Since then the work went on steadily and good headway was being made by activities were held up temporarily by the death of Mr. Simpson.

SULPHUR CLEARS A PIMPLY SKIN
Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.—Advertisement.

The attendance at the afternoon session was increased by the late arrival of several delegates.

The morning session was given over mostly to organization work after which Rev. O. W. Smith of Ironton opened the discussion, "Is There Any New Thing to Say About the Every Member Canvass?" Rev. Smith and those who took part in the discussion talked on the Every Member Canvass relative to the local rural church. The talk by conference superintendent, Rev. Harris on "The Establishment Movement" was postponed until early this

Saxophone Recovered

A saxophone valued at \$175 which was stolen from Paul Billman, Fruit street grocer, last March was recovered Wednesday in Columbus through the efforts of the local police.

Through information furnished by Fletcher Dice, 20, of 1215 Ninth street, and Sam Nash, 21, of 1007 High street, who were taken into custody several days ago in connection with the theft of the horn, the stolen property was traced through a pawnbroker's establishment, where it had been pawned, and finally in the hands of a man who secured possession of it through purchase of the pawn ticket.

Pace is on out bond but Nash is still held at the city jail although it was stated Thursday that no charges will be pressed against them.

FACTORY DEMONSTRATION Of The Quick Meal Gas Ranges

Featuring the "Lorain Oven Heat Regulator"

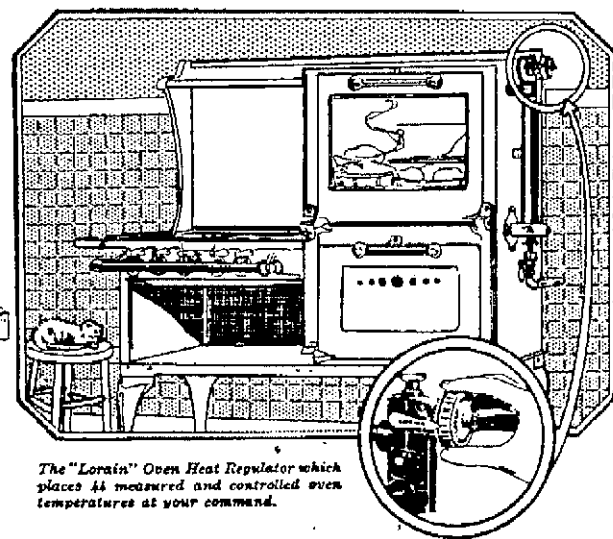

At The

Distel Furniture Co. All Day Friday And Saturday

OCTOBER 7TH AND 8TH

We invite the women of Portsmouth and vicinity to call and see this demonstration which will be in charge of a factory expert.

"The guest who won't go home" causes no anxiety to the woman who has a "Lorain" equipped gas range. Dinner can't burn when "Lorain" is cooking it.

The "Lorain" Oven Heat Regulator which places it measured and controlled oven temperatures at your command.

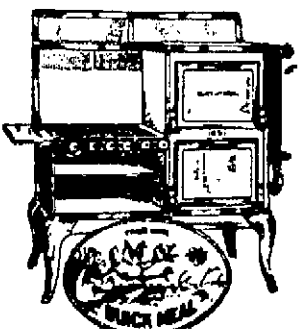

The guest who won't go home

has no terrors for the woman who cooks her dinners on a "Lorain"-equipped gas range

How many times has some thoughtless guest kept you chatting in the parlor while the dinner was burning to a crisp on the stove? It happens to everybody. One woman wrote to give her solution of this problem. She bought a "Lorain"-equipped gas range and now she never worries, because dinner can't burn when "Lorain" is cooking it for her.

QUICK MEAL Gas Ranges

are "Lorain"-equipped. These are the handsomest gas stoves made and the most satisfactory for all purposes. Come in and let us demonstrate the new Quick Meal gas ranges with "Lorain."

"Lorain" has solved many household problems. It has solved the "unlucky" baking day question. "Lorain," which gives you exact measured and controlled oven heats for all kinds of baking, makes baking failures impossible.

"Lorain" has made possible full meal cooking at one time. You put the whole meal in the oven; roast or stew, potatoes, vegetables, dessert, then set the indicator for four to six-hour cooking. You are now through till it is time to serve the dinner, and you'll have the most delicious meal you ever sat down to.

Come in and let us demonstrate the "Lorain." You'll be amazed at the wonderful things it can accomplish for you to lighten the drudgery of "pot-watching."

LORAIN OVEN HEAT REGULATOR

Our word for it! You'll never know how delicious Corn Flakes can be till you eat Kellogg's

Positively—the most joyously good any-time-cereal any man or woman or child ever put in their mouths! Such flavor, such crispness! Such big sunny-brown Corn Flakes! How you'll relish a generous bowl-filled-most-to-overflowing; and a pitcher of milk or cream!

Never was such a set-out! Never did you get such a universal vote as there'll be for Kellogg's Corn Flakes! Big folks and little folks will say "Kellogg's, please, mother!" Leave it to their tastes—and yours! Prove out all we say!

For, Kellogg's Corn Flakes are a revelation in flavor; a revelation in all-time crispness! Don't just ask your grocer for "corn flakes." That brings you most anything! Say KELLOGG'S CORN FLAKES—they're wonderful!

THIN, FADED HAIR
NEEDS "DANDERINE"
TO THICKEN IT

35 cents buys a bottle of "Danderine." Within ten minutes after the first application you cannot find a single trace of dandruff or falling hair. Danderine, the hair what fresh showers of rain and sunshine are to vegetation, it goes right to the roots, invigorates them, helping your hair to grow long, thick and luxuriant. Girls! Girls! Don't let your hair stay lifeless, colorless, thin, scraggy. A single application of delightful Danderine will double the beauty and radiance of your hair and make it look twice as abundant—advertisement.

Hunter Is Fined

Cubs Blanked

CHICAGO, Oct. 6.—Dick Kerr was a better pitcher than Grover Alexander yesterday, and Chicago Americans shut out the Chicago Nationals in the first game of the series to decide the city championship. It was the first meeting of the two clubs since 1916. Kerr allowed his opponents only five scattered hits, three of which were made by Barber, while the National League's ace was touched for ten most of which were bunched. Johnson's double in the third inning, followed by a single by Strunk sent the first run across the plate, while the other run counted on an error. With Hooper on third in the sixth, Mostil grounded to Terry who threw to O'Farrell in time to nip Hooper at the plate, but the Cub catcher dropped the ball. The attendance was announced at 16,548, and the gross receipts \$14,365.14.

Baltimore Swamped
LOUISVILLE, KY., Oct. 6.—Battering a trio of pitchers for 19 hits, Louisville, champions of the American Association, buried Baltimore, the pennant winning club of the International League, under a 16 to 1 score in the first game of the junior world's series here yesterday.

Veteran "Nick" Cutlop, a left hander of major league fame, pitched for Louisville and although touched for ten hits succeeded in keeping them scattered with the exception of the first and third innings and in the ninth, when Baltimore by bunting two hits managed to save itself from a shutout.

Acosta, Ellis and Schepner were the batting heroes of the day, each getting a trio of hits.

EAT LESS MEAT
IF BACK HURTS

Take a Glass of Salts to Flush Kidneys If Bladder Bothers You

Eating meat, regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the urea acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe backaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

And Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

New Boston Republicans Are Getting Busy

The New Boston Republican Club at its meeting Wednesday night voted to extend an invitation to Governor Harry A. Davis to come to the village during the present month to address the members. With that end in view County Auditor Roy Cohnen, while in Columbus Wednesday on business, will make an effort to get an audience with the governor and present the invitation and urge him to accept.

There was a good attendance at the meeting and at the end of the business session, at which an executive committee, composed of Lawrence Fitch, chairman, William Jenkins, Roy Cohnen, Ed Zeek, Tom Brown, W. D. Lewis, M. T. Stewart, Ed Funk, Joe Allen and Fred McGhee was named; several short talks were made. Among the speakers were E. E. Hise, A. R. Campbell, Dr. W. C. Cheney and Roy Cohnen.

The meeting was held at the Hancock and Jenkins garage, but the club has plans for securing a hall for headquarters and in event an adequate meeting place is obtained the club will hold a banquet in the near future with William Cottle in charge of arrangements.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woe, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly—Will you please print in tonight's Times, the name of the best hotel in Cleveland, Ohio. Thank you for the answer.

TRAVELING JOHN.
There are three "best" hotels in Cleveland: The Statler, the Hollenden and the New Cleveland. They are right up to the minute.

Dear Dolly—We are two country boys who like to stay out late at night, but it seems like there is always some providential hindrance. The other night, when we were going home there was a rattlesnake crawled out in the road and began to slither like it wanted to bite us and we could not get by for about half an hour. Dolly do you think we ought to stay home until you are old enough not to get scared at your shadow.

ANSWER AND BILL.
Yes, I think you ought to stay at home until you are old enough not to get scared at your shadow.

Dear Miss Wise—I met a young man who came to see me a few times and then stopped coming, although I have reason to think he was interested in me. I think he must have heard something that was untrue. He asked a girl friend about me several times and she says he appears to be very much interested in me yet. Would it be all right to invite him to come up some evening, or should I get my girl friend to invite him to her house and then I would go there. **DEWDROP.**

Let the boy find a way to see you again. If he is interested enough to want to be with you he will ask permission to call. Either way you suggest, would be running after him.

Dear Miss Wise—Will you please tell me how high the skyscraper is, known as the Union Central Life Insurance building of Cincinnati.

TIMES READER.
It is 34 stories high.

Dear Dolly—We are two girls of 16, we are tall and have long black curls. Should we wear our puffs, or wear our hair down our backs in curls.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost every one knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago, the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Weyl's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two your hair becomes beautifully dark, glossy and attractive.

The Iron Food for Vitality

She needs it—
"The Iron Food for Vitality."

True Beauty Food

is an "iron food" like raisins. Serve daily as a breakfast fruit for best results

Stewed Raisins

Serve for breakfast every morning and get your daily iron this way.
Cover Sun-Maid Seeded Raisins with cold water and add a slice of lemon or orange. Place on fire, bring to a boil and allow to simmer for one hour. Sugar may be added but is not necessary, as Sun-Maid Seeded Raisins contain 75 per cent natural fruit sugar.

Raisin Pie

Mentore quickly refreshed at night by a dessert like this.

A more delicious breakfast dish than stewed raisins served with cream never has been known—just try and see.
You'll want it every morning.
The food-iron of the raisins will be an every day supply, if this becomes your regular fruit dish. The blood absorbs the iron; and vigorous vitality, if you possess it, is thus protected. Where vitality is lacking, it is frequently restored in this delightful way.
The greatest charm of woman is vitality. Its signs are bright eyes, healthful energy and a pretty rose tint on the cheeks.
You need but a small bit of iron daily, yet that need is vital. Pale, tired women are given this attractive dish for breakfast at a famous sanitarium in Battle Creek. For physicians know that value of the raisin.

SUN-MAID RAISINS

Use Sun-Maid Raisins, made from California's finest table grapes—American raisins, processed and packed immaculately in a great modern California plant.
Seeded (seeds removed); Seedless (grown without seeds); Clusters (on the stem). Also a fine, ever-ready dessert.
Raisins are cheaper by 30 per cent than formerly—see they are served regularly in your home.

ANOTHER MISUNDERSTANDING
It seemed more than strange to Cherry that her husband had never mentioned seeing Arline in Chicago. She tried her best to down any ignoble thoughts concerning the two but over and over the bitter fact came to her mind that if Ned had felt entirely right about the thing he would certainly have confided in her, and explained just how and why he had felt it necessary to go about with his secretary.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour Gassy Stomach and Acid Indigestion
Doubtless if you are a sufferer from indigestion, you have already tried pepsin, pancreatin, charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief. But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little Bismarck Magnesia—not the ordinary commercial carbonate, elutriate, or milk, but the pure Bismarck Magnesia, which you can obtain from practically any druggist in either powdered or tablet form. Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach, which now causes your food to ferment, and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most every thing you eat.

You will find that provided you take a little Bismarck Magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow and, moreover, the continued use of the Bismarck Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion—Advertisement.

Cherry sighed as she heard him say so and wondered if all wives had to go through the course of sprouts that she was going through. If so, she failed to understand why they had not risen up in rebellion long ago. Men were so singularly lacking in understanding where it came to their wives. Without doubt something was wrong with the whole structure of matrimony.

"I didn't question your motives when you went motoring and to tea with Arthur Hamlen," he reminded her, after their heated argument. "And if you wish to devote some of your time to him in the future, I'm sure I can't stop you, nor have I any desire to make a scandal about it."

"Why, Ned, you forget that you were very nasty one night about Arthur and me," Cherry reminded him, firmly. "You always seem to forget where you, yourself, have fallen down."

"Oh, well, the whole thing is so stupid that I don't feel like wasting time or words in defending or otherwise," he answered, crossly. "We'll have the average, miserable life together, if we begin questioning and doubting you and I, Cherry. So why not forgive and forget the whole list of accusations?"

Cherry's lips closed tightly at these words. She, for one, was not going to be accused of "pettiness" or "jealousy" by Ned, if she could help it. There were too many wives in Wheelersburg who had gained reputations in that line.

But here and then she became more determined than ever to try out her little scheme and settle all questions concerning Ned's love and her own, as soon as possible.

Ned dismissed the subject as soon as he had given his ultimatum and returned once more behind his paper. He had heard a long tale from his mother a short time before about the writing-up of the Disgruntled Wives, and was still roused from the effects of that lady's words and scathing criticism of his wife and her escapades. He was also convinced that Cherry's place was under her own roof, where neither she nor he would have to sit and be criticised morn, noon and night. But of this he said nothing. Better to let well enough alone, and Cherry, without a doubt, would be upset if she knew that his mother had discussed her with him.

KENTUCKY GIRL WRITES LETTER

How She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Sunnyside, Ky.—"I suffered for more than two years with my back and nervousness, and was not able to help my mother do the housework. I took treatment from two doctors and they did not do me any good. Mother saw Lydia E. Pinkham's Vegetable Compound advertised in the paper and I took about ten bottles. It has done me a great deal of good. I weigh 138 pounds and am in good health. I will gladly recommend Vegetable Compound to anyone who suffers with the troubles which I had, and you are welcome to publish my testimonial."—VELMA HENNING, Route 1, Sunnyside, Ky.

To many American girls life is often a heavy drag in consequence of illness, and every mother should heed the first manifestations, such as cramps, backaches, headaches and nervousness as Mrs. Hendrick did for her daughter, and see Lydia E. Pinkham's Vegetable Compound a fair trial. For over forty years this old fashioned root and herb medicine has been relieving women of just such troubles.

Council Paves Way To Give Sciotoville Water; Many Streets To Be Improved. To Build Sewers

The regular meeting of Council held Wednesday night was a rather tame affair, although several important matters came up for consideration during the two-hour session, including some legislation, providing for improvements, which was passed.

All members answered to roll call, except Howard K. Moore, the representative from the Fifth ward, whose resignation was received and accepted. He resigned because of pressure of business, and Floyd Unger was unanimously elected to fill the vacancy. The new member is the present Republican candidate from that ward.

The hope of citizens of Sciotoville for water service approached a little nearer when Council, acting on the recommendation made by Water Works Manager George P. Shute, voted \$50,000.00 for the purpose of extending the water mains to Sciotoville and North Moreland addition. This action will allow the work of installing the mains to proceed at the earliest possible time.

John Solner and a delegation from Moreland Road appeared and called attention to the bad condition of the roadway through the Flaxer addition north of the end of the present paving. They declared that the road was in so bad condition that school children traveled with much difficulty on their way to and from school. Council requested the Service Department to give the desired relief if possible and after the solicitor stated that the funds derived from the auto tax could be used for resurfacing the

road director, Gorgens, indicated that the work would proceed. It was estimated that the improvement will cost about \$500.

An ordinance was passed authorizing a bond issue of \$5,000 for the purpose of providing funds for sewer construction and a resolution was adopted directing the city auditor to strike from the records a portion of the assessment for the improvement of Tenth street against lot 129 because the assessment exceeds the statutory limitation of one-third of the actual valuation. The assessment was reduced from \$640.42 to \$400.00 and this led Mayor Osborn to suggest that an investigation ought to be made in every instance of contemplated improvements on the assessment plan with a view of ascertaining whether or not the abutting property will stand the assessment provided by law. He stated this should be done before any action by council and he declared that the city could ill afford to assume a portion of the property owner's share in addition to the usual share apportioned to the city.

An ordinance was passed appropriating \$88,000.00 for the purpose of improving Harmon street by filling and constructing bridges and culverts and on motion of Member Westphal the engineer was instructed to bring in an estimate to pave Jackson street in the Thomas addition, the estimate to be based on the proposed plan to use the dirt from the excavation to make the Harmon street fill. This will lessen the cost of paving Jackson street and of making the fill, it was explained. A resolution to improve Jackson

street from Campbell avenue to a point 175 feet east was presented but was held up until the engineer can check up the value of the abutting property with a view of ascertaining if it will stand the assessment. It was stated that some of the property owners opposed the improvement and refused to sign waivers.

On motion of Member Westphal the matter of acquiring and with a view of opening up Harmon street from Sixth to Eighth street was referred to the street committee and on motion of Member Ranyan legislation was ordered creating a special fund from money derived from the storage of automobiles in fire stations and providing that the funds be used for the repair of fire houses.

A resolution was adopted authorizing The Portsmouth Street Railway and Light company to employ Arthur Young and Company, Chicago, to make appraisal of its property as provided for by the new street car fare ordinance which recently became effective.

Director Gorgens reported the purchase of a new truck at a cost of \$757 but stated he had no place to house it. After some discussion it was suggested that he secure space in the police department garage and this arrangement will likely be made. The engineer submitted an estimate for the construction of a diversion ditch in Lawson's Run at a cost of \$800 to correct a bad condition existing there which resulted in C. W. Bard, of Jackson street, some months ago filing an injunction preventing the city from using the run as a sanitary sewer. It was stated that the suit will not be pressed if the proposed improvement is put through and the necessary legislation was ordered.

Legislation was also ordered to provide funds to pay the cost of erecting street signs in Sciotoville at a cost of \$150, and an ordinance was ordered brought in giving Richard Dawson the right to construct a sanitary sewer at Office and Jackson streets under the supervision of the city engineer.

City Treasurer A. J. Fuller appeared and addressed council in order to correct a wrong impression created by a recent report in connection with the water works made by Manager George P. Shute and which, he said, appeared to some persons a reflection on the efficiency of the water collector's department. In defense of himself and assistants the treasurer explained that none of the things complained of in the report within the scope of the collector's duties and he strongly took issue that there is any lack of methods and system in the conduct of the department. He stated further that he had employed a clerk at his own expense and that the entire force was engaged in preparing a new and system for the office.

Credit Men Enjoy Splendid Talk Made By Albert Marting

That Albert Marting's talk before members of the Credit Men's Association of Chillicothe was hugely enjoyed is evidenced by the following account of his talk, which is taken from the Chillicothe Gazette:

"There is one thing more that I wish to say, in closing, and that is that I am proud that I was born in America; that I am an American citizen and do not live in England." These were the parting words of Hon. Albert Marting, one of the leading merchants of Portsmouth, who addressed the members of the Chillicothe Credit Association at a banquet and smoker at the Warner Hotel Tuesday evening.

Mr. Marting recently returned from a trip to Europe as one of 16 delegates of the American Credit Association to the International Association and what he told his hearers concerning manners and customs in merchandising world in France, England and Scotland and also a few things of interest regarding the home life of the Londoner and Parisian, caused every one to sit up and listen. Mr. Marting was given a rising vote of thanks and greatly applauded when through speaking.

Just before Portsmouth's Merchant Prince was introduced, the president of the local Credit Association introduced Mr. Friedman, of the Globe Furniture Co., who spoke interestingly on "Opening of the Account," and was complimented by Mr. Marting in his opening remarks.

When Mr. Friedman had finished and the speaker of the evening was introduced he at once told his hearers that while he had spent a most enjoyable 45 days trip abroad along with 22 other merchants, that he had learned nothing about their Credit System but that he had been royally entertained, for in England when Americans are entertained by the Lord Mayor of any city, the Englishman is giving the Yankee the best he has in the shop. "Big Success" or failure is spelled in one word, said the speaker, and that is "Cooperation," that is the key to the whole situation. He said that "Down Portsmouth way the successful merchants are those that stick to the Credit Association."

In England, the speaker said that merchants are called "choppers," and that the "choppers" suited at one merchants being called "dry," goods merchants when the U. S. is supposed to be a dry nation and 50 per cent of the drygoods men didn't refuse a drink. This caused great applause and laughter.

Mr. Marting stated that English merchants are paid by parents of girls who seek employment in their stores for three years, while they serve an apprenticeship. They are provided board and lodging only and receive for their services, 25 pounds, English money. After three years they receive 10 shillings, or two dollars per week, with a gradual increase of two dollars every six months. Intelligence and efficiency doesn't spell anything across the waters—it's only time of apprenticeship served. How different in America?

"The wage scale in England is very low," said the speaker, "but the war doubled it. In Paris at 18 girls are paid nine dollars per week if they live at home—more if they have no home."

Planning To Honor Dead

Plans for the annual memorial day of the lodge were discussed last night at the regular meeting of Portsmouth council, No. 38, Jr. O. U. A. M. The probable date is Sunday Oct. 30 when fitting exercises will be held. A committee will be named shortly to make all arrangements. One application was received.

Costly Blaze

Mrs. Robert Willis of Lincoln street has just returned from a visit with Mrs. Alice M. Beyer of 339 Fourteenth avenue, Columbus.

While she was there a fire destroyed a room in the double house owned by Mrs. Beyer. The fire was in one of the rooms on the opposite side of the house from where Mrs. Beyer lives, and was started when a sulphur candle was used in a closet to drive away the odor of moth balls. Some of the clothing caught fire and the flames quickly spread to the adjoining room and it was totally destroyed with a damage of about \$1,000, covered by insurance.

"Pape's Cold Compound" is
Quickest Relief Known

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks any cold right up.

The very first dose opens clogged nostrils and the air passages of the head; stops nose running, relieves the headache, dizziness, feverishness. "Pape's Cold Compound" costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's!—Advertisement.

Sun Theatre Opens Monday

Without a doubt one of the best musical comedy companies traveling today is the "Billy-Allyn Company," which opens their engagement at the Sun Theatre next Monday night. Mr. Allen has gathered together some of the foremost people ever seen in musical comedy, not only are players clever in their respective lines, but all the plays have been selected with the greatest care and regardless of expense and comprise some of New York's latest releases.

Mr. Allen enjoys the distinction of not only having the best singing chorus, but the prettiest, most shapely and best costumed of any in the musical line today. Seats on sale at the box office Saturday morning.

Ingrown Nails Turn Right Out

A few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so tenders the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.—Advertisement.

Will Hold Conference Here

COLUMBUS, Oct. 6.—A representative of the Ohio State University will come to Portsmouth on October 12 to confer with all persons interested in the coming State farmers' institutes, or in all independent farmers' institutes planned for Scioto county during the winter.

The conference is scheduled for 10 a. m. at the county agent's office next Wednesday. The visiting representative of the university will make known the results of a questionnaire sent to all parts of Ohio in an effort to determine what country people most desire on their institute programs this year, and discussion will center on methods found useful during past years in preparing and putting over an institute program.

The 1921-22 institute program for Ohio gets under way November 7, with a staff of 50 farm speakers, 13 of them new to the Ohio circuit. A total of 352 institutes are scheduled in all 88 counties of Ohio. More than 315,000 people attended such sessions in 1920-21.

Allen has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless. Mr. James H. Allen, the discoverer of Allenbath, who for many years suffered from the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money before Allenbath decisively conquers the worst of all diseases, and he has instructed all druggists to guarantee it in every instance.—Advertisement.

COURT HOUSE

White Trial Assigned for Friday

Frank White, one of the numerous alleged New Boston "fly cops" will be on trial before Judge Thomas and jury in Common Pleas court Friday morning on a charge of pointing firearms at Fred Logan, Munn's Run man, on July 24.

A. A. Hirt, who was indicted by the recent grand jury for attempting to pass a worthless check, is also scheduled to be tried Friday afternoon but was stated today that he will probably change his plea from not guilty to guilty.

Seek New Trial for Ruffian

Newly discovered evidence which could not have reasonably been produced on the former hearing is the chief reason advanced in a motion filed Thursday seeking a new trial for David Ruffian, negro, recently convicted by a Common Pleas court jury of stealing over \$1200 in money belonging to J. H. Goodenough, grocer at Twelfth and Waller streets last June. The motion was filed by Attorneys H. L. Small and H. A. Taylor, who represent the defendant.

Yost On Trial

An unusual situation developed in the case of Walter E. Yost, former real

estate agent, brought to trial in Common Pleas court Thursday morning on a charge of obtaining money under false pretenses, when at the outset of the hearing Judge Thomas sustained a motion offered by Attorney E. G. Millar, for the accused, to arrest the case from the consideration of the jury because of a family indictment, the "flaw" consisting of an incorrect date when the alleged offense occurred, the date in the indictment stating that it was Dec. 8, 1921, when it should have read Dec. 8, 1920.

The court promptly dismissed the jury and the members were leaving when the defense waived the mistake in the indictment in respect to the date and the jury was brought back and the hearing proceeded.

The state contended that on Dec. 8, 1920, the defendant secured an option from Mrs. Catherine Binder on her flat building and bakery situated at 1020 Chillicothe street, and that on Jan. 5, 1921, she was induced by fraudulent representations made by Yost and his co-conspirator, a man named Moore, to buy the option back for \$150.

Mrs. Binder testified that a short time after securing the option Yost brought a man to her place and introduced him as a prospective purchaser of her property. She stated that this man, who claimed to be from Marion, Ohio, after inspection of the property

expressed his satisfaction with it, but who said he declared that he would not deal with Yost as he was a bad man and urged her to buy the option back. Mrs. Binder said the stranger offered her \$15,000 for the property if she would get the option back and then she asserted that he later advised her would not take the property. During her recital Mrs. Binder stated that she bought the option back because she desired to take the property off the market.

The state introduced other evidence tending to show that Moore and Yost were business partners in the real estate business and that they carried on a system to defraud by similar acts.

Ralph Rensinger of Baird avenue testified that Yost and Moore defrauded him out of \$250 in a similar manner in connection with an option which Yost secured on property owned by the mother of the witness at Eleventh and Fletcher streets.

Yost denied the charge made in the indictment and claimed that he refused to cancel the option without being paid for his trouble when Mrs. Binder sought to take it off the market. He admitted receiving \$150 for the option back but contended that the deal was legitimate and not out of the ordinary in such business.

Local Pair In Toils at Waverly

Sheriff E. E. Ricker was notified Thursday that Robert Hamm and Daniel Held, two Portsmouth young men, were taken into custody by Sheriff Clay Chamber of Pike county, and lodged in the jail at Waverly Wednesday night where they are held to meet charges of larceny.

It is claimed the pair entered the home of Dick Richards at Stringtown, on the Stockdale pike Tuesday night while the family was absent and ransacked the house, stealing \$10 in money and other valuables.

Hamm and Held are quite well known police characters, both having been in considerable trouble before the police have been looking for Held for several days for furnishing liquor to two women. Held was only released from jail a few weeks ago where he served months for stealing and previous to that he was confined at the Lancaster Industrial school. Hamm is also under indictment on a petit larceny charge.

Suits in Replevin

William S. Harris is made defendant in a suit in replevin instituted in common pleas court Thursday through which The Belt Automobile Indemnity Association seeks to recover possession of one Chrysler, seven passenger automobile which, it is alleged, the defendant wrongfully obtained. The plaintiff sued through Attorneys A. T. Holcomb and E. G. Millar, also demands \$500 damages.

Answer in General Denial

The answer of Daniel Hoffer and others to the injunction suit of John Hoes, involving the possession of the Baptist church property at Hoffer Hill amounts to a general denial. The defendant's answer through Attorney George W. Sheppard.

Inspection Tour

Samuel Lindsey, of Columbus, chief inspector of Weights and Measures, accompanied by E. W. Warner, deputy county scaler, made a tour of the city and New Boston Wednesday, verifying weights and measures. The officials found but one violation, a technical one, that of a baker who had failed to mark the weight on a loaf of bread. The loaf was found to be full weight on being put on the scales. The inspection was highly satisfactory to the officials.

Adjudged Insane

At an inquest held in probate court Thursday, Kenneth Blake, 78 years old of 1128 Eleventh street, was adjudged insane and ordered committed to the Athens state hospital by Judge Gilliland.

SOCIETY

Mrs. Grant Williams and Mrs. Paul Williams are spending a few days in Cincinnati.

All members of the Bigelow choir are requested to meet at the church this evening at seven o'clock for practice. Mrs. S. D. Timmons, the organist, will be present to direct the choir. She is recovering nicely from the effects of the flu she received Wednesday when a pocket of gas in the furnace of her home exploded.

Don't Be Bald

Here's a Good Way to Stop Loss of Hair and Stimulate a New Growth

This Man is Getting Bald. Parisian Sage is Just the Thing for All Such Cases

If your hair is thinning out, prematurely gray, brittle, lifeless, full of dandruff and your head itches like mad, quick action must be taken to save it. At the very first sign that your hair is falling out don't wait another day but go to your drugstore and get a bottle of Parisian Sage, the only really efficient hair saver.

Don't say, "It's the same old story: I've heard it before," but try a bottle without risking a penny. Parisian Sage is guaranteed to stop falling hair and itching scalp, keep away all dandruff and stimulate new hair to grow, or money-back. It is easy to use, perfectly harmless, and even the first application makes the hair and scalp look and feel 100 per cent better.

If you want to save your hair, make it grow, and always look its best, don't delay using Parisian Sage tonight. Write for a sample and get a bottle of Parisian Sage, the only really efficient hair saver.

The Terminal W. C. T. U. held an interesting meeting Wednesday afternoon at the church. During the business session arrangements were made for an entertainment to be given in the near future.

Mrs. Oren Dodds and daughter, Miss Edith Dodds, of 712 Second street are entertaining at dinner this evening for the pleasure of their uncle, Mr. W. H. Penton of Topeka, Kansas. Covers will be laid for Mr. and Mrs. N. H. Graham of Butler, Pa., Mrs. Mary Jane Noel of Scioto Trail, Mrs. Emma Smith of Galia street and Mr. Penton of Topeka, Kansas.

St. Mary's church choir will go to Wheelersburg Sunday morning to assist the choir of St. Peter's church with the music at the nine o'clock service. Rt. Rev. Bishop James J. Hartley will confirm a class of candidates at this mass.

RADICAL REVISION OF TAX BILL IN PROSPECT

WASHINGTON, Oct. 6.—Radical revision of the tax bill, by agreement among senate Republicans, was in prospect today as a result of conferences yesterday between various factions.

With debate continuing on the measure, negotiations were proceeding among the Republicans with a view to amendment of the bill as reported by the Senate Finance committee so as to provide for the following:

Repeal next January 1 of all transportation taxes, except possibly on Pullman accommodations. Increase of income surtax rates on incomes over \$50,000 from the committee maximum rate of 32 per cent to a maximum of around 50 per cent. Repeal of all or a majority of the luxury so-called "misuse" taxes, including those on soft drinks. Increase of the corporation tax rate to 15 per cent, as recommended by the committee.

Continuation of the corporation capital stock tax. The principal points of the compromise under negotiations with finance committee members were said to represent the "consensus of opinion" of the group of fourteen Re-

publican senators, who conferred last night at the home of Senator Capper, Republican, Kansas, with Senator Lodge, of Massachusetts, Republican floor leader.

Most of those at the conference were senators from western agricultural states and included many members of the so-called "progressive group."

The Smoot manufacturers' tax was discussed at the conference, but there was not unanimity as to its advisability, some of the conferees said, although a majority were represented as opposed to the Smoot plan.

The compromise suggestions were to be presented informally today to Chairman Penrose and other Republicans of the Finance committee with the hope, it was said, that all or a large part would be acceptable to the committee to be offered from the floor as "committee amendments."

In this way the Republicans hoped to agree among themselves on improvements which would be acceptable to the majority of the senator and avoid any party split or "deal" with Democratic opponents.

LOSS OF EFFICIENCY FROM EYE STRAIN

Yes, there is a tremendous amount of it. It is found everywhere—in offices, factories, schools and stores. If an Optometrist can by supplying proper glasses to these patients increase their physical welfare and their efficiency, surely the Optometrist is rendering worthwhile service to the public. We are doing just that every business day in the year.

VERA GORDON in "THE GREATEST LOVE" Select Picture.

Vera Gordon, (The Mother of Humoresque) Again Enacts the Glory of Not Heretofore in the Big Special Production "The Greatest Love" Which Comes to the Eastland Theatre for Three Nights Starting Tonight—A Photoplay You Will Always Remember—A Master Picture.

PROGRAM
A—Century comedy "Stealin' Home" with Harry Sweet.
B—Special added attraction, "The Boy Scouts in Action."
C—Atmospheric Musical Prologue—Eastland Orchestra.
D—Select presents Vera Gordon in "The Greatest Love."
NOTE—Musical settings for this production arranged by Wm. Spitzer. "The Greatest Love," the latest Select Picture.

to the Eastland Theatre tonight is said to give a realistic representation of the hardships, joys and sorrows of life as lived in the slums of a large city. In the latter part of the picture is given a glimpse behind the scenes of a musical comedy performance, and changes and discards are seen to overcome their erting when all seems to be prosperous and successful. Mother love triumphs where the money of friends and the learning of counsel max is said to be both artistic and novel.

As Mrs. Lantini, the mother of the little family whose fortunes form the background of the story, Vera Gordon plays a role similar to that which made her name a household word in "Humoresque." With her in the cast are Sally Crute, William H. Tooker, Fannie Shelton, and Jessie Simpson. Holly Connelly and Dot Williams

Only Powerful Medicine Will End Rheumatism

Rheuma, a Physician's Prescription, Contains No Narcotics—Harmless—and the One Remedy That Has Forced Rheumatism to Disappear

It matters not whether you have had agonizing pains from rheumatism for 20 years, or distressing twinges for 20 weeks. Rheuma is strong enough and mighty enough to drive you from your body and abolish all merriment or money back.

For over ten years throughout America Rheuma has released thousands from agony, pain and despair. This is what it did for one sufferer—it should do as much for you:

"After a long time I found something to cure me of rheumatism. Less than one bottle of Rheuma relieved me of my trouble, and now I am without pain for the first time in eight years. I was so bad that I could not get up without pulling myself up with my hands and could not get out of bed without rolling out. The trouble was all in my back."—P. N. Powell, has received the appointment as postmaster of the town of Bennington, Oklahoma. While he was reared in Jackson and graduated from the local schools, he has been in the West for years. His last visit here was to attend the funeral of his father.

Epworth League Installation

On Sunday evening, at the Methodist church, in place of the regular services, the evening was devoted to

the installation of the new officers of the Epworth League by the pastor, Rev. Mitchell. After a talk especially dwelling on the work of the league, the president installed was Norman Ashbaugh; first vice-president, Margaret Howell; second vice-president, Mary Paine; third vice-president, Edna Knox; fourth vice-president, William Johnson; secretary, Alice Wortman; pianist, Anna Marie Hess; chorister, Miss Minnie Farrar.

Following the installation the pastor asked first for the parents of the young officers to come forward and stand behind them as an indication of their willingness to support the league. Then the official bond followed by the teachers of the Sunday school, all kneeling in prayer and singing a hymn of consecration. It was a beautiful service.

The

"BRING ON IRONTON" P. H. S. CRY

"Bring on Ironton," is the cry of the P. H. S. football players who were put through a stiff workout Wednesday afternoon on the Sixteenth street field by Coach Fries.

He has everyone of the lads working in his best form and from the way he is changing them around from the first to the second team it is hard to tell just who will start in Saturday's game against Ironton.

Coach Fries was displeased with the showing made against New Boston and is making many changes in the practice lineups to see where improvements may be made.

Manning, sub-quarter, is being worked out on an end position. He is fast and belongs in the game instead of occupying a side line first. Brock was also worked out at fullback yesterday in place of Brant who has not been hitting the line just the way he should in practice sessions. Linebackers were also shifted to the second team yesterday to break up play in the backfield. Several new plays have been put on the schedule and the team will work hard on these for the next two days to perfect them for the Ironton game.

The game with Ironton is always a big event. The Nail City's school is expected to send a big crowd of rooters with their eleven. Ironton does not have the team this year it had when such players as "Shorty" Davies and others were in the game. The team is light and fast and will give the Red and Blue representatives a fast game. P. H. S. is expected to have a margin on the visitors in weight and will play this weight against Ironton's speed. When it comes to speed the locals also have some players who can fly with the wind and will give the Ironton's sprinters a chance to show their ability more than once in the game.

The Saturday game will be called at 2:30 sharp as Ironton is expected to arrive here before noon in machines. Every football fan in the Peerless City is urged to be out to Saturday's game when the P. H. S. eleven meets its old

rival. No other victory will bring as much joy unless it is the defeat of Huntington High which comes here the following Saturday.

Big Game In Oak Hill Saturday

OAK HILL, Oct. 6—Earl Smith of the Washington, American League club will bring his team of All Stars to Oak Hill for a game Saturday afternoon. This team is made up of major and minor league players and will be a treat to local fans. Smith is a son of ex-sheriff E. W. Smith of Portsmouth and was for many years a resident of Oak Hill. It will be worth the price of admission just to see this team practicing. This game is under the auspices of the American Legion and will be the last big game of the season.

Brown County Win Series

The Brown county diamond stars, aided by some splendid box work by Frijis, former Industrial league southpaw, downed the representatives from Adams county Wednesday in the third and decisive contest of the three-game series for the championship of the two counties. The final count was 5 to 2 and the win gave the Brown county club the series, two games to one.

Hille, Peebles hurler, was on the hill for the losers, and while he pitched good ball the winners got to

Selects Practice

Jude Baesman had the Selects out for practice at the High School gym last night. Several of the boys were shooting baskets in mid season form and Captain Baesman expects to have the team rounded into shape in a few days now. Baesman, Doll and Kendall of last year's team were out, also several new men, among them Silvers, Shoemaker, Bougher and Wilson. Next practice Friday evening at 7.

New Backfield

ATLANTA, O., Oct. 6—Coach Fisterwald at Ohio University is working out a new backfield combination for use against Bethany at Wheeling Saturday. In the Syracuse game last week, Ohio's backfield was located at quarterback, Little and Fuller at half and Fibre at full. The new combination is Loomis at quarter, Lockhart and Rush at half and Duvall at full.

Real Battle Saturday

GLANVILLE, O., Oct. 6—Because possible elimination from the Ohio conference championship race for either Denison or Wooster is at stake in Saturday's game, the Denison squad has been putting in the hardest kind of preparation this week. The game is to be played at Wooster.

Well He Will Need All Them

OBERLIN, O., Oct. 6—Coach Metcalf, of Oberlin, will take two complete football squads to Columbus this week-end for the game with Ohio State he said today. He plans to replace any man who shows signs of being giving the game. With many men of about equal calibre, he can make changes without necessarily weakening the team.

Ohio State scored 37 points against Oberlin in last year's contest.

Sounds Familiar

SPRINGFIELD, O., Oct. 6—Quarlerback Dargner and Halfback Webb of Wittenberg's football squad, suffered injuries in practice which may prevent their playing in the game with Miami Saturday.

Important If True

COLUMBUS, O., Oct. 6—The world's amateur baseball championship will be decided here Sunday when the Francis Dry Cleaners meet an amateur team from Beaver Falls, Pa.

To Meet Gen. Glenn

CHILLICOTHE, Oct. 6—John A. Poland and Roman T. Gerber left yesterday for Cleveland, where it is said they will meet Gen. Glenn and escort him to Camp Sherman, where it is reported he is coming with a corps of engineers to lay out the work for the conversion of Camp Sherman into a vocational training center.

At Convention

A convention of presidents and secretaries of the Tenth District Rotarians to be held in Dayton today and tomorrow will be attended by Joseph Horchow of the local Rotarian Club.

Billy Southworth the Times is enabled to give its thousands of readers a "close up" view of three of the pitching aces of the Boston Braves, National League team that is to appear at Millbrook Park Sunday afternoon, October 9, where they will engage in battle with Gabe's All Stars. The pitchers above, reading left to right are Watson, Scott and McQuillan, who are making the barn-storming trip with the Braves, and one of whom will pitch against the locals at Millbrook Sunday. The wonderful winning spurt enjoyed by the Braves during the latter part of June and early July was due mainly to the wonderful work of this trio of pitchers. Scott is the lad who found it an easy task to defeat the Cincinnati Reds every time he was called upon, while Watson handled the Pittsburgh club a trimmings with the ease and skill of an expert master. McQuillan was very effective against the Cardinals and generally managed to come through with a win when he faced the Brooklyn.

These three pitchers are looked upon as world beaters in their chosen profession, and the fans of Portsmouth will be out there Sunday to get a better part of June and early July was due mainly to the wonderful work of this trio of pitchers. Scott is the lad who found it an easy task to defeat the Cincinnati Reds every time he was called upon, while Watson handled the Pittsburgh club a trimmings with the ease and skill of an expert master. McQuillan was very effective against the Cardinals and generally managed to come through with a win when he faced the Brooklyn.

Manager Gableman is to be complimented upon his enterprise in bringing The Braves to Portsmouth, but he wanted to eliminate the close of the season with all sorts of itself and was willing to take a chance on the weather. It looks as though there would be no worry along that score, for there is a feeling that all will be lovely along that line. Should the sun be smiling as now, it is certain that all attendance records will be smashed at Millbrook Park.

Tickets for the game are on sale at the Play House. They are going rapidly, and if you want to be assured of good seats it should be secured at once. The result of the world series game will be secured by innings. Come and have a great afternoon.
